

## **EUSFLAT 2011 CONFERENCE**

### **EUSFLAT BEST Ph.D. THESIS AWARDS**

During the EUSFLAT 2010 General Assembly, held in Dortmund, June 29, it was approved to establish **two awards** for the **Best Ph.D. Thesis** presented **during each one of the two immediate complete years** previous to each EUSFLAT conference.

Therefore, with this call we encourage young researchers who got their Ph.D. degree between January 1<sup>st</sup> 2009 and December 31<sup>st</sup> 2010 to apply to these awards. The EUSFLAT Best Ph.D. Thesis Awards will be acknowledged during the next EUSFLAT conference, to be held in Aix les Bains, France (July 18-21, 2011) jointly with the “Rencontres francophones sur la Logique Floue et ses Applications”, LFA. Please visit <http://www.polytech.univ-savoie.fr/eusflat2011> for additional information.

The **EUSFLAT Best Ph.D. Thesis Award** will be given attending to the following regulation:

- *Award must be properly announced in EUSFLAT conference web site*
- *The applicant should have obtained the Ph.D. degree in the two complete years previous to each EUSFLAT conference*
- *The Ph.D. advisor supporting the applicant should be a EUSFLAT paying member when submitting application to this award*
- *Application to this award should be submitted in concordance to the general deadline given in the conference call for papers*
- *The applicant should provide the EUSFLAT President (currently Prof. Javier Montero, [president@eusflat.org](mailto:president@eusflat.org)) with the following documentation:*
  - *A web site where each member of the Award Commission can download the electronic version of the Ph.D. thesis in its final form*
  - *A copy of the signed application form containing*
    - *Name, affiliation, address and e-mail of the applicant*
    - *Title of the Ph.D. Thesis*
    - *Place and date of public defence*
    - *Declaration of presence at the award ceremony*
    - *Short report from any of the Ph.D. advisors stressing merits of the applicant and the relevance of presented results*
    - *Ph.D. advisor EUSFLAT membership data*
- *A copy of the complete documentation must be simultaneously sent to the EUSFLAT board member in charge of prizes (currently Prof. Bernard De Baets, [Bernard.DeBaets@UGent.be](mailto:Bernard.DeBaets@UGent.be))*
- *Once the list of applicants is complete, the EUSFLAT board will nominate the President and the Vice-President of the Award Commission*
- *The EUSFLAT board will help the President and Vice-President of the Award Commission to contact other specialists to become part of the Award Committee or provide anonymous reports*
- *One month before the EUSFLAT Conference, the President of the Award Commission will translate to the President of EUSFLAT their decision,*

*accompanied with a short explanatory report to be read in the award ceremony*

- *Each awarded applicant will receive, in addition to the Award itself, a 200 Euro valued prize plus a one year free subscription to EUSFLAT*
